Learn English in a supportive environment

This short course has been specifically designed for learners who have no or limited formal schooling, no literacy skills in English and who may not have literacy skills in their first language. Our supportive staff will teach you the foundations of English and help you develop basic English language communication skills that will assist you in your day to day life.

It is intended to provide participants with the following general education outcomes:
- learning strategies to study in formal learning environments
- writing words
