 HELLO THERE, OUR DREAM IS TO HELP YOU MAKE GREAT HAPPEN

Improve your career prospects with a domestic air-conditioning qualification

If you’re a qualified tradesperson looking to upgrade your skills in air-conditioning, this Certificate course is the one for you. This three day short course covers the domestic installation, commissioning and de-commissioning of single head split air conditioning and heat pump systems to a prescribed routine, where the maximum plant capacity for each system does not exceed 18 kW.

This includes wall hung, floor and ceiling suspended, cassette and ducted fan coil split systems and water heating heat pump systems.

LOCATION/S
Gold Coast - Ashmore

DURATION
Part time: 3 days

Entry requirements

IMPORTANT: All participants are required to bring a copy of:

Step 1
Apply online Under Trainee Licences fill out the Online Application. Ensure that you apply for the Trainee Classroom Licence called: CL000 – Trainee (classroom only) licence. Fill in your personal details and employers details (if applicable).

Step 2
Once completed online an email will be sent to you with further instructions on how to complete the application. This email will include an application to be printed, completed and posted to ARC together with:

Step 3
Once ARC has processed your completed application they will email the Trainee Classroom Licence number to you, please bring this to the first day of training. Ensure that you complete your Trainee Classroom Licence application; this is a prerequisite for you to attain your installation licence upon completion of the course.

Resources required

- Steel capped safety work boots must be worn.
- Students will require basic stationery supplies (i.e.
