Kick start your career as an Apprentice Electrician

Kick start your career in the electrotechnology industry with this entry-level course. Build the skills you need to get your foot in the door for an apprenticeship or seek trade assistant work to get you started.

With the electrical services industry one of the largest special construction industries in Australia, demand for qualified workers is high with over 50,000 job openings in the next five years. As electrical services and technology become more integrated into homes and offices, your specialised skills will be required for installation,

FULL FEE | $4,590
This is the total cost of the course.

SUBSIDISED | $837
The Queensland Government will offset the cost of study for eligible students. You will still need to pay for a portion of your study costs. The amount above is what you will need to pay.

CONCESSION | $420
You are eligible for the concession price of a course if you are eligible for subsidised training, and are listed on an Australian Government Low Income Health Care Card or Pensioner Concession Card, if you are Aboriginal or Torres Strait Islander, you hold a Department of Veterans’ Affairs Pensioner Concession Card, or if you have a disability.
