Student satisfaction

Step into the beautiful Spanish language with our short course!

The study of languages is an integral part of a general education. Learning another language extends, diversifies and enriches student's cognitive, social and linguistic development. Language study gives insights into the nature, purposes and styles of language and promotes a greater sensitivity to and understanding of languages in general, including English. Literacy skills acquired in another language enhance skills in one's first language.

Why study Spanish at TAFE?
Spanish is among the three most widely spoken languages

LOCATION/S
Gold Coast - Southport
