Learn the accounting language!

Introduction to Accounting is a short course aimed at students wishing to learn about the basic accounting principles and theory before moving onto the MYOB Accounting courses at TAFE Queensland Gold Coast.

This course is classroom based and is recommended for those students who have had no experience with accounting terminology and principles. You will not be using MYOB software or PC’s in this short course, you will be working through a course resource on Introduction to Accounting.

The purpose of this course is to use a common range of accounting terms which will be applied in subsequent MYOB courses.
