Evolve or perish – your business or the business you work for must continually change!

They say that change is as good as a holiday! So why is it that for businesses, and the staff involved, the word change is regularly met with fear and failure? Consumer expectation and market competition are both evolving at an exponential rate – your resistance to change is futile! This short course is designed to help individuals and business operators understand the importance of constant change and how to ensure that it is implemented successfully.

During this three week course you will learn to appreciate
