OVERVIEW

Turn your love of music into a career

The Bachelor of Contemporary Music Practice is focused on starting your career in music from day one of study.

Delivered in partnership with the University of Canberra, this course covers many facets of the industry including composition, performance, technology and theory, with embedded analytical studies of historical, cultural and technological applications in commercial contexts. It focuses on the nurturing and developing of a holistic, creative and entrepreneurial approach to music making, in order to prepare you with the best chance of success
