ADDITIONAL OPTIONS

30 University Pathways
30 TAFE Queensland Scholarships
31 Do Uni Differently — Higher Ed Programs
32 TAFE Queensland Gold Coast Short Courses

If you see this symbol on your desired course, it means that on completion, there might be University Pathways available to you. See page 30 for details.

If you see this symbol on your desired course, it means that you may be eligible to apply for VET FEE-HELP — a loan scheme that helps eligible VET students pay all or part of their TAFE tuition fees for certain higher-level VET qualifications.

If you see this symbol on your desired course, it means that it is a non-accredited course that does not carry national recognition. It is a course designed to provide an outcome specific to the topics covered.

RPL - Recognition of Prior Learning is a process that allows the competencies you already possess to be recognised, regardless of how you obtained them. These might include skills you picked up on the job or from other life experiences that do not necessarily include formal training. RPL might be available on the course you are interested in — for more information on eligibility criteria or RPL requirements, please visit tafegoldcoast.edu.au or call (07) 5581 8300.

Please note: Information in this guide is current at date of printing, December 2015. All course information is subject to change at any time. For further information, please contact TAFE Queensland Gold Coast.
EMPLOYERS RECOMMEND US
Four out of five employers recommend TAFE Queensland Gold Coast.*
Businesses said they would refer us based on our course content, relevance to industry, our facilities and resources and the quality of our teaching. One of these businesses could be your next employer.

* Business Satisfaction Survey 2014

WE HAVE MORE STUDENTS THAN ANY QUEENSLAND UNIVERSITY
Each year, more than 165,000 students study with TAFE Queensland. 16,000 of these choose to study at TAFE Queensland Gold Coast. We have been teaching students for over 130 years, so with TAFE Queensland Gold Coast - you know your qualification will stand the test of time.

REAL WORLD TRAINING FACILITIES

MAKE GREAT HAPPEN - 3
CAN I AFFORD IT?

For many of our students, there will be a need to work while studying. Luckily at TAFE Queensland Gold Coast you can choose to study full-time, part-time and in some cases online or in the workplace, so you can fit both work and study into your life.

PAYMENT OPTIONS

VET FEE-HELP
VET FEE-HELP is available to assist eligible students studying higher level vocational education and training (VET) qualifications to pay their tuition fees. Higher level VET qualifications are at the Diploma level and above. For a trial period, VET FEE-HELP will also be available for a limited number of Certificate IV qualifications. VET FEE-HELP can be used to pay all or part of an eligible student's tuition fees, but cannot be used for additional study costs such as accommodation or text books.

PAYMENT PLAN
Pay your fees off while you study with an interest free student payment plan. This is available for courses over $500 on direct debit.

UPFRONT PAYMENT
Pay your fees upfront before commencing your studies - one less thing to worry about while you study.

EXPENSES
When you decide to study, there will be expenses on top of your student fees. These could include text books or course related equipment such as steel capped safety boots or a stethoscope. TAFE Queensland Gold Coast can advise you of these extra expenses when you enrol.

WHAT KIND OF SUPPORT IS AVAILABLE?

LEARNING SUPPORT
Provided by specialised teachers, get support in exam preparation, assignment writing, time management, making presentations and general study skills.

LIBRARY
You will have access to a range of online and hard copy resources at any of our libraries.

COUNSELLING
Free and confidential counselling is available to assist and support you with personal, study or work-related issues and/or career guidance.

INTERNET/WIFI
You will have access to TAFE Queensland Gold Coast’s WiFi and student computers with internet access across all of our campuses.

SUPPORT
Disability support is available, including locating and organising equipment and teacher liaison on your behalf. An Indigenous Student Support Officer is available to assist with various issues and to support you during your studies.

FACILITIES
All locations are either located within walking distance to food and beverage outlets or have an on-site cafeteria. Parking is provided for no or minimal charge.

CAREER CAFÉ
Held each semester, these give you the opportunity to meet with universities, the defence and police force and major employers to discuss your next steps in education and employment.

myPROFILER
If you are unsure of what to study, TAFE Queensland Gold Coast’s myProfiler can help give you some ideas on what careers and courses will suit you.
GOVERNMENT ASSISTANCE
Government funding may be available to assist you with your studies, including a partially government funded place (the government pays some of your course fees). Other financial assistance includes:
- Student Youth Allowance
  This is a means-tested payment for full-time students and Australian apprentices aged 16 to 24.
- Rent Assistance
  This is a means-tested payment to help you pay your rent.
- AbStudy
  Helps with costs for Aboriginal and Torres Strait Islander Australians who are studying.

For more information on government assistance visit: www.humanservices.gov.au

COMMENCE YOUR STUDIES WITH US!

SKILLS EMPLOYERS WANT.

What does an employer really want from you as a job applicant? Aside from your industry relevant skills and training, many businesses are also looking for other key attributes when hiring new staff. The good news for TAFE Queensland Gold Coast graduates is, no matter what course you choose, whether it is plumbing, nursing or information technology, you will have the opportunity to learn the top four skills on the list.

Interpersonal and communication skills.
Express your ideas clearly and confidently in speech and in writing. Your contributions to class discussions and time spent on written theory assessments will build these skills.

Passion and drive.
A determination to get things done, make things happen and an obvious interest in the industry. Your commitment and determination to complete your TAFE qualification clearly demonstrates your passion for your chosen career.

Industry knowledge.
Knowing how the business and industry works. Your time in class, work experience and practical training combined with our teachers’ expertise will give you valuable insights to your chosen industry.

Team work skills.
Ability to work confidently and coherently within a group. Group assignments, group tasks to complete in class and your exposure to a collaborative learning environment will give you the opportunity to build these skills.
SOUTHPORT

Our Southport location has recently had a $6 million refurbishment and offers vibrant spaces and advanced learning technologies including a refreshed customer service centre with touch screens for enquiries, contemporary new study zones, a refreshed and connected library and WiFi throughout so students can BYO devices. A dominant feature in the Gold Coast’s designated CBD, our Southport location is closely located to Australia Fair shopping centre, key services and public transport, including the new light rail which travels right past our front doors!

ASHMORE TRADES TRAINING CENTRE

This is the location where master craftsmanship is born and raised. Our newly renovated-for-purpose specialised facility is the new trades training hub of the Gold Coast. With industry standard learning technologies, you will perfect your craft nestled amongst the parkland setting and spacious grounds offered at this location. A relaxing atmosphere for students, the Trades Training Centre at Ashmore provides specialist delivery in automotive, building and construction, cabinet making, carpentry, competitive systems, electrotechnology, engineering and welding, horticulture, plumbing, shop-fitting and wet trades.

COOMERA MARINE

Located in the heart of the marine industry at Coomera, our specialised training facility is based on-site with the Gold Coast’s largest boat building employer, Riviera. Our facility boasts two levels of industry style workshop and specialised learning spaces to offer you the best of both worlds in practical and theory based training experiences.

COOMERA

TAFE Queensland Gold Coast’s creative hub at Coomera is the quintessential home for creators, innovators, entertainers and movie makers. This $26 million state-of-the-art facility offers the best possible creative learning experience in the region. Nestled amongst natural bushland for the ultimate creative backdrop, our campus provides specialist delivery supported by state-of-the-art technologies such as computer labs including MAC and PC, drawing rooms, sound recording and music rehearsal studios, digital video and editing suites and 3D motion capture and production control facilities. There is also a black box theatre, auditorium and Independent Learning Centre.

COOLANGATTA

Located at the southern end of the Gold Coast on the border of NSW, our Coolangatta location provides a peaceful learning environment. Centrally located, we are close to beaches, cafes and shops. Only 250 metres from the famous coastline between Snapper Rocks and Kirra Beach, our Coolangatta location allows you to enjoy an idyllic Gold Coast lifestyle while learning in a supportive and adaptable environment.
A career in built environment and engineering offers you a broad range of career opportunities, from specific trades through to supervisory and management roles.

The construction industry as a whole is expected to experience slight growth with job opportunities to arise across a variety of disciplines.

We pride ourselves on providing hands-on, industry relevant, practical training to fully equip you with the skills and knowledge you’ll need to become an industry expert in your field.
With a solid understanding of business principles, you will be a valuable asset to any organisation across all industries and sectors. You will have a huge scope for rewarding career pathways from being a small business owner to working in an administrative function in major corporations.

Due to the large size of the workforce, many job vacancies exist for most major business related occupations with exciting opportunities for Accounting Clerks, Professionals and General Administration staff.

We have worked closely with industry to develop practical business courses that are designed to meet your individual needs and give you a competitive advantage.

“I DID NOT START OUT TRYING TO MAKE A DIFFERENCE - I MERELY TRIED TO DO MY BEST”

- Jane Goodall

AGED AND INDIVIDUAL CARE

With Australia’s ageing population, a formal qualification in this industry will ensure you remain highly employable for your entire career. Not only will you have a stable career, you will have the opportunity to directly impact other people’s lives and make a difference.

We have worked closely with industry to develop practical, hands-on courses. Be happy with your studies just like 100% of students in 2014 who recommend our aged care courses based on their teaching and training. **

** 2014 TAFE Queensland Gold Coast student satisfaction survey.
ALLIED HEALTH

Join the Allied Health workforce and become an integral part of the healthcare system working alongside medical professionals including physiotherapists, occupational therapists, speech pathologists and nutritionists, to provide patient care and support services.

Healthcare is a large and fast growing industry in Australia with strong demand for allied health care professionals - the greatest demand coming from rural and regional communities.

Gain practical work experience as part of your studies with the majority of our allied health courses incorporating vocational placement. You will also have the opportunity to learn from some of South East Queensland’s best allied health professionals, with your teachers connected to the industry.

COMMUNITY SERVICES

As a community services professional you will perform an extremely important role working at the front line to promote the safety and wellbeing of adults and children to help build strong families and communities. With its fast growing nature, the community services industry has great employment opportunities.

You will learn comprehensive theoretical knowledge and hands-on skills from some of South East Queensland’s most experienced community services professionals.
As interactivity in today’s technologies become more prevalent, your professional digital media skills will only increase in demand. As this industry continues to grow with new roles emerging that blend digital technologies with creative arts, you will have a diverse scope of career opportunities available to you.

Strong employment opportunities exist for Graphic and Web Designers as well as Multimedia Specialists.

Based at our creative hub at Coomera, you will develop industry leading skills and knowledge using the latest equipment, software and facilities.
A career in Early Childhood Education and Care gives you the potential to change lives. You will be helping children develop their social and learning skills and will often work with parents to assist in their child’s development.

Career opportunities currently exist in Queensland for Child Care Workers, Early Childhood Teachers and Special Needs Teachers.

Four out of five businesses recommend us based on our course content, relevance to industry, facilities and quality of our teaching.* One of these businesses could be your next employer.

*2014 Business Satisfaction survey.

Tell me and I forget.
Teach me and I remember.
Involve me and I learn.
- Benjamin Franklin
Few careers are as professionally rewarding and personally satisfying as a career in education. You will have the opportunity to influence and shape the lives of others including school children and adult learners. A steadily growing industry, the education sector also provides great employment opportunities.

We have worked closely with industry to develop practical courses that are designed to give you job ready skills and a competitive advantage. You will also graduate with strong work experience, with the majority of our education, training and tutoring courses incorporating vocational placement.

For current details on TAFE Queensland Gold Coast offerings including in-depth course information, intake dates, durations, modes of study, locations and prices, visit www.tafegoldcoast.edu.au

EVENTS, TRAVEL AND TOURISM

Be more in demand with a formal qualification in events, travel and tourism. It is a career that can open doors to the world and offers you a fast-paced, challenging and fun environment.

With the Gold Coast hosting the Commonwealth Games in 2018, demand for qualified professionals in this industry is expected to increase. The transient nature of the industry also increases job opportunities.

Our teachers are connected to your industry, which ensures the skills you learn will be the skills you need in the workplace.
FITNESS

A formal qualification in fitness can turn your passion into a rewarding career. The fitness industry has experienced a boost in interest as the growing awareness of the importance of a healthy, active lifestyle and an increased interest in sport, fitness and recreation activities takes its effect on society. This awareness translates into great career opportunities for fitness professionals.

The industry offers a variety of work environments from the outdoors, to indoor sporting facilities and office spaces.

JUSTICE

A career in law enforcement in both the public and private sector can be exciting, rewarding and offer unmatched work experiences.

We have designed this course with the help of extensive consultation with industry leaders in the police force, the justice community and sessional academics. This ensures your course will have absolute industry relevance.

When you transform your passion from a personal interest into a professional career the rewards of success can be high in both financial status and job satisfaction. The music industry isn’t just limited to creative geniuses, with opportunities available in music management, promotion, sound and studio engineering, lighting and production.

Based at Coomera, you will develop industry leading skills and knowledge using the latest equipment, software and facilities, plus we’ll provide you with invaluable networking skills that will give you a competitive advantage within the industry.
An interest in all things cars and engines, and a love of practical and manual activities are just some of the reasons you might be attracted to the automotive industry. Due to advances in automotive technology, most vehicles now contain electronic controls and computers. Knowledge in this area has become essential for light vehicle motor mechanics, and as a result, they are becoming more specialised in their areas of work.

**AUTOMOTIVE COURSES**

**AUR31512**  
**CERTIFICATE III IN AUTOMOTIVE DIESEL ENGINE TECHNOLOGY APPRENTICESHIP**

WORK HEALTH AND SAFETY COURSES

CPCCONS1001A
WORK SAFELY IN THE CONSTRUCTION INDUSTRY (WHITE CARD)
- SKILLSET

PLUMBING

Plumbing includes urban irrigation, drainage, metal roofing and cladding, mechanical services, roof plumbing, gas fitting and fire protection services. The industry has appealing salaries with work dominated by small businesses and self-employed tradespeople. Plumbers may also work for federal or state and territory government departments concerned with public works. Plumbers are involved in everything from domestic maintenance to high-rise construction.

WORK HEALTH AND SAFETY

As an occupational health and safety officer, you will identify hazards, assess risks and put appropriate safety controls in place and provide advice about accident prevention and occupational health to management and employees. Traditionally, occupational health and safety officers have been employed in the manufacturing, construction, health and minerals industries. However, positions are now available in management consultancies and commercial institutions including banks, hospitals, insurance companies, government organisations and service-based organisations.
TAFE Queensland Gold Coast’s articulation agreements with key universities allow you to further your studies and gain credit towards a university degree. This allows you to develop strong practical skills and theoretical knowledge from completing both a Diploma and a Degree, often in the same time it takes to complete one. With your TAFE Queensland Gold Coast Diploma you can work in industry while you continue your studies.

IF YOU HAVE COMPLETED ONE OF THESE COURSES WITH TAFE QUEENSLAND GOLD COAST

It could allow you to further your studies and gain credit towards a degree in one or more of these universities:

- Australian Catholic University
- Bond University

DO UNI DIFFERENTLY

COMBINE UNI THINKING WITH TAFE HANDS-ON LEARNING WITH DEGREES NOW OFFERED AT OUR COOMERA CAMPUS.

TAFE Queensland in partnership with the University of Canberra is offering the Bachelor of Games and Interactive Design and the Bachelor of Contemporary Music Practice in 2016.

BACHELOR OF GAMES AND INTERACTIVE DESIGN

In this degree students will gain experience in the design and creation of games and interactive digital media. The industries appropriate for this degree include game development, interactive media, screen visual effects and virtual production.

BACHELOR OF CONTEMPORARY MUSIC PRACTICE

The Bachelor of Contemporary Music aims to give students a thorough grounding in 21st Century contemporary music practice. It covers music composition, performance and theory with embedded analytical studies of historical, cultural and technological applications in commercial contexts. It focuses on the nurturing and developing of a holistic, creative and entrepreneurial approach to music making, in order to prepare the student with the best chance of success in a highly competitive and global marketplace.

Successful graduates of the diplomas listed below will be eligible to receive credits into one of the bachelor degrees.

Do Uni differently. Our partnership with the University of Canberra means you will graduate with a prestigious university degree, as well as the hands-on skills of a TAFE qualification. Delivered in a practical, job-focused training environment, means you get the theoretical side of a university degree with the applied learning style that makes TAFE Queensland graduates so highly sought after by employers.
