HELLO THERE, OUR DREAM IS TO HELP YOU MAKE GREAT HAPPEN

Keep pace with the latest technology

Information technology moves fast and the future crop of IT professionals will need to keep pace. Ensure you’re at the forefront of the latest technology with our industry-based Diploma. You’ll learn the latest in network design, multi-user systems, local area networks, switching and routing, server and virtualised systems and network security. Our industry-based teachers also help students prepare for the Cisco certification exam that you’ll be qualified to take after the completion of your studies.

The Diploma uses the Cisco CCNA modules 1 – 4.

LOCATION/S
Gold Coast - Coomera

DURATION
Full time: 12 months / 3 days per week

Entry requirements

It is recommended that applicants:
- Have some prior knowledge of information

Resources required

Textbooks and supplies are not included in the cost of the course.

FULL FEE | $13,550
This is the total cost of the course.

SUBSIDISED | $10,195
The Queensland Government will offset the cost of study for eligible students. You will still need to pay for a portion of your study costs. The amount above is what you will need to pay.

CONCESSION | $9,188
You are eligible for the concession price of a course if you are eligible for subsidised training, and are listed on an Australian Government Low Income Health Care Card or Pensioner Concession Card, if you are Aboriginal or Torres Strait Islander, you hold a Department of Veterans’ Affairs Pensioner Concession Card, or if you have a disability.
