Kick start your writing career!

Inside every person there is at least one great book waiting to be liberated – maybe the next best-selling thriller, a factual book about some subject you're passionate about or a biography of someone you admire. The surest way to liberate these ideas and turn them into reality is to take the advice of a successful writer who is trained to share their skills with you, like internationally acclaimed author and qualified trainer Richard Davis.

This two-day program will equip you with the knowledge and skills you need to get started on your writing career.
