Building better communities

Take the next step in your career in the community services sector with this advanced qualification. This course will give you the high-level skills needed for a role with a community organisation. The sector is currently experiencing growth, with the government projecting up to 50,000 new job openings in the next five years.

This course gives you high-level communication skills, and the ability to develop strategies to work with at-risk groups within the community. You will also gain valuable research skills and be taught how to work within legal and ethical frameworks.
