Hello there, our dream is to help you make great happen.

Learn the fundamentals of SLR photography and build confidence with your photos!

This course is an introduction to the Digital SLR (DSLR) camera and the related principles of photography.

If you have just acquired a DSLR camera whether as a purchase, gift or hand me down and are frustrated by it not producing the photos you want and you don't fully understand it and want to do so, then this is the course for you. You will learn what you need to know about the camera and its settings and basic photographic principles so you can begin on your journey toward improving the photographs you take with...
