Creative Writing

HELLO THERE, OUR DREAM IS TO HELP YOU MAKE GREAT HAPPEN

Kick start your writing career!

Inside every person there is at least one great book waiting to be liberated – maybe the next best-selling thriller, a factual book about some subject you’re passionate about or a biography of someone you admire. The surest way to liberate these ideas and turn them into reality is to take the advice of a successful writer who is trained to share their skills with you, like internationally acclaimed author and qualified trainer Richard Davis.

This two-day program will equip you with the knowledge and skills you need to get started on your writing career.
