HELLO THERE, OUR DREAM IS TO HELP YOU MAKE GREAT HAPPEN

Build your career through study

Take the next step to successful management of a residential building business with this technical qualification. Complete this course so you can apply for a Builder - Low Rise Licence.

As the demand for more technical skills emerges in the construction industry, people with higher level qualifications will be in demand. Job openings for this type of work are predicted to be between 25,000 and 50,000 in the next five years across Australia.

In this course you'll learn how to plan building construction work, apply structural principles and supervise on-site.
