Have the time to do what matters most to you

How often do you hear members of your team or your family say ‘There are just not enough hours in the day’ (or days in the week, or weeks in the year)? How often do you find yourself thinking that? These are normal human responses to the relentless march of time, and while no one can hold back time, people who actively manage their time and use it efficiently usually have less cause for complaint.

This interesting program is based on current international best practice, accredited scientific theory and local environmental conditions. It will help anyone ...
