A career in nursing

Take your career in nursing to the next level with this advanced qualification. This course is the essential minimum requirement to work as an enrolled nurse. The health sector is growing in Australia with four out of five nursing graduates gaining employment within three months of graduation.

This course will give you the advanced skills to perform clinical assessments, contribute to nursing care of people with complex needs, administer and monitor medications and IV therapy, and research and apply evidence to practice. Our highly-experienced industry professionals will guide you...

Entry requirements

Direct Entry with TAFE Queensland Gold Coast, phone (07) 5581 8862. This...
